

Metalingus

Alter Bridge

I've been defeated
And brought down
Dropped to my knees when hope ran out
The time has come to change my ways On this day I see clearly
Everything has come to life
A bitter place and a broken dream
And we'll leave it all, leave it all behind I'll never long for what might have been
Regret won't waste my life again
I won't look back
I'll fight to remain On this day I see clearly
Everything has come to life
A bitter place and a broken dream
And we'll leave it all behind On this day it's so real to me
Everything has come to life
Another chance to chase a dream
Another chance to feel chance to feel alive Fear will kill me, all I could be
Lift these sorrows
Let me breathe, could you set me free
Could you set me free On this day I see clearly
Everything has come to life
A bitter place and a broken dream
And we'll leave it all behind On this day it's so real to me
Everything has come to life
Another chance to chase a dream
Another chance to feel chance to feel alive
