

Turn the Music Louder (Rumble) [feat. Katy B]

KDA

Check, yeah, yo
So right, so fresh
Top five, no less
So right, I just flesh
Gonna get me down on the head
So, ya'wanna hear TT on the KDA with the Katy B (?)
And that's set, oh yeah
Ain't no one left
Rumble, go hard, no rest, c'mon You got me feeling for your power
Turn the music louder, let me feel it
Oh oh oh oh oh oh oh
Rumble, go hard, no rest, c'mon
You got me feeling for your power
Turn the music louder, let me feel it
Oh oh oh oh oh oh oh Yeah, T T like a twister
Spin down (?)
Got style like a hipster
Give me girls with the lips ya
What a face, what a mixture
Bad lives (?)
What, last night was a picture
In the pool getting busy with a mix So right, so fresh
Top five, no less
So right, I just flash
Gonna get me down on the head
They wanna hear TT on the KDA with the Katy B (?)
And that's set, oh yeah
Ain't no one left
Rumble, go hard, no rest, c'mon You got me feeling for your power
Turn the music louder, let me feel it
Oh oh oh oh oh oh oh
C'mon
You got me feeling for your power
Turn the music louder, let me feel it
Oh oh oh oh oh oh oh
Rumble, go hard, no rest, c'mon Keep on coming back for more
Got me knocking down your door
You know how to take me higher You got me feeling for your power
Turn the music louder, let me feel it

Oh oh oh oh oh oh oh
Rumble, go hard, no rest, c'mon You got me feeling like, e oh e oh
Something just ain't right, e oh e oh
Why did I let you in, e oh e oh
And let this all begin, e oh e oh
I wish I could forget, e oh e oh
The day that we first met, e oh e oh
And now it's blowing up, e oh e oh
Still I can't get enough
Oh oh yeah baby You got me feeling for your power
Turn the music louder, let me feel it
Oh oh oh oh oh oh oh
You got me feeling for your power
Turn the music louder, let me feel it
Oh oh oh oh oh oh oh
Rumble, go hard, no rest, c'mon Keep on coming back for more
Got me knocking down your door
You know how to take me higher
You got me feeling for your power
Turn the music louder, let me feel it
Oh oh oh oh oh oh oh
