

Almost

Orchestral Manoeuvres In the Dark

I travel oh so far
To be where you are
I travel there by car
To be where you are
But if I get there I find
That I changed my mind
Happens all the time
To a friend of mine
Always making statements
And moving step by step
Always acting theories
I will regret
My only consolation
In the things that I've done
Are the people who know me
And the objects I own
Happens all the time
To a friend of mine
Happens all the time
To a friend of mine
Happens all the time
To a friend of mine
Happens all the time
To a friend of mine
Happens all the time
