A Woman's Worth

Songs In A Minor

You could buy me diamonds
You could buy me pearls
Take me on a cruise around the world
Baby, you know I'm worth itDinner lit by candles
Run my bubble bath
Make love tenderly to last and last
Baby, you know I'm worth itWanna please, wanna keep
Wanna treat your woman right
Not just dough, better show
That you know she is worth your timeYou will lose if you choose
To refuse to put her first
She will and she can
Find a man who knows her worth'Cuz a real man knows a real woman when he sees her
And a real woman knows a real man ain't afraid to please her
And a real woman knows a real man always come first
And a real man just can't deny a womans worthIf you treat me fairly
I'll give you all my goods
Treat you like a real woman should
Baby, I know you're worth itIf you never play me
Promise not to bluff
I'll hold it down when shit gets rough
'Cuz baby, I know you're worth itShe walks the mile, makes you smile
All the while being true
Don't take for granted
The passion that she has for youYou will lose if you choose
To refuse to put her first
She will and she can
Find a man who knows her worth, ooh'Cuz a real man knows a real woman when he sees her
And a real woman knows a real man ain't afraid to please her
And a real woman knows a real man always comes first
And a real man just can't deny a womans worthNo need to read between the lines spelled out for you
Just hear this song 'cuz you can't go wrong when you value
A womans worth
(Womans, womans, womans)'Cuz a real man knows a real woman when he sees her
And a real woman knows a real man ain't afraid to please her
And a real woman knows a real man always comes first
And a real man just can't deny a womans worth'Cuz a real man knows a real woman when he sees her
And a real woman knows a real man ain't afraid to please her
And a real woman knows a real man always comes first

And a real man just can't deny a womans worth
