

Past Day

B.B. King

Well, this past day, darlin`
I don`t have to cry no more
Well, this past day, darlin`
I don`t have to cry no more
Well, I found my baby
Don`t have to walk from door to door
Well, I look around me
Lord, my baby can`t be found
Well, I look around me
Lord, my baby can`t be found
Well, I don`t have to walk around no more
Don`t have to go down to the bowlin` ground
Oh, I`m sayin` goodbye
Well, I don`t say goodbye no more
Oh, I`m sayin` goodbye
Well, I don`t say goodbye no more
Well, I found my baby
Don`t have to walk from door to door
