

# I Would Be Your Slave

David Bowie

Walking in the snowy stream  
Let me understand  
Drifting down a silent path  
Stumbling over land  
Open up your heart to me  
Show me who you are  
And I would be your slave Do you sleep in quietude?  
Do you walk in peace?  
Do you laugh out loud at me?  
No one else is free  
Open up your heart to me  
Show me all you are  
And I would be your slave I don't sit and wait  
I don't give a damn  
I don't see the point at all  
No footprints in the sand I bet you laugh out loud at me  
A chance to strike me down  
Give me peace of mind at last  
Show me all you are  
Open up your heart to me  
I would be your slave I don't sit around and wait  
I don't give a damn  
I don't see the point at all  
No footprints in the sand I will give you all my love  
Nothing else is free  
Open up your heart to me  
And I would be your slave
