

Who's To Say (One Tree Hill Soundtrack)

Vanessa Carlton

Stand up straight
Do your trick turn on the stars
Jupiter, shines so bright when your around
They tell us slow down, we're too young
You need to grow
Well speeds is the key, and they don't know
Who we are Who's to say were not good enough
Who's to say that this is not our love Mother don't tell me
That friends are the ones I lose
Because they bleed before you
Sometimes family are the ones you choose
Its too late now, I hold on to the life I found Who's to say we won't burn it out
Who's to say we won't sink in doubt
Who's to say we won't fade to grey
Who are they anyway, they don't know And you say we're too young
But maybe you're too old to remember
And I try to pretend but I just feel it when we're together
And if you don't believe me
You never really knew us
You never really knew You and I, packing up my room
We fell aright
But were not welcome
Soon
We'll be driving
'cause they don't know who we are And who's to say that we won't stay together
And who's to say we aren't getting stronger
And who's to say I can't live without you
Who are they anyway, they don't know And you say we're too young but maybe your too old to remember
And I try to pretend
But I just feel it when were together
And who's to say
Who's to say
Who are they anyway Stand up boy, I shine so bright when your around
