

# From My Own True Love (lost At Sea)

## The Decemberists

Four score years  
Living down in this rain swept town  
Sea salt tears  
Swimming round as the rain comes down  
Mr. Postman, do you have a letter for me?  
Mr. Postman, do you have a letter for me?  
A letter for me  
From my own true love  
Lost at sea  
Lost at sea  
Mr. Postman, do you have a letter for me?  
Mr. Postman, do you have a letter for me?  
A letter for me  
From my own true love  
Lost at sea  
Lost at sea
