Captain Spectacular YOU DIE!!!(Blattaria zaps Captain Spectacular)Ziltoid: Noooooooooooooooo!!!All seemed to be lost. What Ziltoid failed to realize is,
the Planet Smasher needed his own reasons to summon his
ungodly power. The pain of his brother dying pierces his withered hearth.
As Ziltoid kneels beside his fallen brother, as if in a dream,
the song they'd sing together as children is all of a sudden on his lips.Ziltoid: memories... all alone with the...ROOOOOOOOOOAAAAAAARRRRRRRRR!!!!!!The War Princess wasn't about to go quietly... she grabbed out,
got ahold of Ziltoid and in that moment, they were both GONE!
Turns out the thing the planet smasher hated the most... was musicals!
Who saw that coming?!?They're gone!! We're free! We're free!!!
Captain Spectacular saved us! (And so did Ziltoid!)Hip hip, hooray!So Ziltoid, the War Princess and the Poozers are jettisonedthrough that hairy wormhole
The Planet smasher?
off to wherever Planet Smashers go... the musicals worked!
The humans now left alone amongst themselves

to celebrate, wallowing in the sacrifice of Captain Spectacular,
yet giddy in the joy of their survival.
Awash with the promise of their brand new world.
Voices raised together in celebratory blissful song,
the earth sang as one. Believe it or not.
