If You're Lookin' For Love

Cerys Matthews

Maybe I'm sad, Maybe your goneMaybe you're right baby all along
Baby just go and set yourself free
But if you're, if you're looking for love
Come see about meMaybe you've gone back on the road again
Walk past my door and know you've got a friend
Well I hope you find what you've been looking for
But if you're, if you're looking for love
Come see about me
And if your chasing your tail
Don't pay it no mind
Ain't got no, particular place
No particular plan...My fairweather friend you're welcome anytime
That smile of yours can cross a thousand miles
I know you live to learn and learnin' suits you fine
But if you're, if you're looking for love
Come see about meCry baby cry until tomorrow
Heaven knows when you'll be back again
Cry baby cry until tomorrow
Heaven knows if you'll be back again
Baby, baby, baby, get back on the road again
Walk past my door and know you've got a friend
Baby just go and set yourself free
But if you're, if you're looking for love
Come see about me
If you're, if you're looking for love
Come see about me
