

# Georgia Rose

[Natalie Douglas](#)

Georgia rose, Georgia rose  
You're the most precious rose Dixie grows  
Though it don't seem quite right  
'Cause your skin's dark as night I know you've heart full of light  
To the good Lord above  
We all look the same  
So, don't hang your head in shame Georgia rose, Georgia rose  
Don't be blue 'cause you're black  
Georgia rose Georgia rose, Georgia rose  
Don't be blue 'cause you're black  
Georgia rose
