

# Scumbag

## Green Day

You come around every now and then  
Your clothes are different but youre still the same  
Why else would you come here?  
Scumbag on a mission Youre telling me that its been a while  
Shit-eating grin and a brand new lie  
Somebody let you come here  
Scumbag with permission Never thought Id see  
The likes of you 'round this place  
Whats the special occasion?  
Did you run out of friends? Here you are, comin' round again  
And things are different but you still pretend  
Youve got a reason to come here  
Scumbag with ambition And now youre telling me that things have changed  
And youll be leavin' in a couple of days  
Youre gonna change the world someday  
Scumbag with a vision It must be nice to know  
Youve got it all figured out  
But from where Im sittin'  
Its the same thing again and again You never stop to think  
Before you open up your mouth  
'Cause every time you do  
Its the same thing again and again
