The Family Album

Comecon

Ashes - my trusty bed
Unhurt me now if you can
filling the skies - splendour
Provider so sue-serene
now maudlin now bellicose
no souvenirs - minionLead me to life, star spangled eyes
Turtles and doves filling the skies
Lawful offense lustrally spurts
Never repent the harvest that hurtsAging - without time
in this paradise of self-defence
you need treatment - barrows
Silenced - when two as one
cross the barriers of violence
have confidence - ashesFollow your kind star spangled heir
rockets and calls filling the air
Wash up and walk into the night
stale souvenirs; memories that bite
