

# Erased

**Matt Thompson**

Here is no one left to trust  
Raise a light, one that I can see  
(Now reverse this enormous pain for this life to remain)  
(I am walking through, watching what's left)  
Hold me close, this is what I see  
Emptiness in me  
This is how I feel, this is what is real  
I can't put back  
(What is now fading black)  
I can't replace  
(What is being erased)  
I crawl my way through every day  
Raise your light, one that glows for me  
Give me a sign, light my path, take me higher  
I am walking through fire  
Standing alone abandoned by fate  
Walk me through, this is what I see  
Emptiness in me  
This is how I feel, this is what is real  
I can't put back  
(What is now fading black)  
I can't replace  
(What is being erased)  
(Being erased)  
Is this all that is left for me?  
Hold me close, this is what I see  
Emptiness in me  
This is how I feel, this is what is real  
I can't put back  
(What is now fading black)  
I can't replace  
(What is being erased)  
Hold me close, this is what I see  
Emptiness in me  
This is how I feel, this is what is real  
I can't put back  
(What is now fading black)  
I can't replace  
(What is being erased)
