# The Quiet Man (Dirge)

## Dommin

Read the writing on the wall
It's clear to see for one and all
Yeah, lockstep followers will fall
To their knees when they're ordered to crawlBut here I am
And here I stand
This is the end
Of the quiet manNow don't you think that I don't know
Because I don't go the way you go
Yeah, I got it, I got it, I got it all
How your arrogance has taken hold
But here I am
And here I stand
This is the end
Of the quiet manYou lock your lips
You build a wall
Now use your words to make it fallSo here I am
And here I stand
And here I am
And here I stand
This is the end
This is the endI'm no longer
The quiet man
