

# Thanksgiving in Reno

## Too Much Joy

At the \$5.99 buffet  
In reno on thanksgiving day  
    Nobody seemed to care  
Why anyone else was thereMe and my buddy jay  
    Watched bad cover bands play  
        Got little drinks for free  
    Kept betting on twenty-threeWe got drunk  
        We got sad  
        I met a girl who  
    Said she could save meShe said "I am a hug  
        I wrap around you and I scrub  
        You're made of dirt my dear  
I scrub until you disappearThat's what absolution means"  
    She put a dollar in a slot machine  
    Three triple bars came up we won six  
        Hundred bucksWe got stoned  
        We had sex  
        I dreamt that I was  
        Evel knievel
