

# Northern Hymn

## Demonaz

Gods Of The Mountains  
Sky, Forest And Seas  
Lands Of Fire, Ice And The Northern Deeps  
Cold As A Storm From The Raging Sea  
Soon Their Winds To Rise  
Gods Of The Mountains  
Sky, Forest And Seas  
Lands Of Fire, Ice And The Northern Deeps  
Cold As A Storm From The Raging Sea  
Soon Their Winds To Rise
