

# Ripped Shattered and Alone

## Mean Jeans

I'm ripped, shattered, and alone  
I quit, I'm a disaster I can't go on  
I'm ripped and I'm shattered and I'm sure it doesn't matter  
But I'm ripped and shattered and aloneI'm ripped, shattered, and alone  
I need a minute, I need a wheelchair, I need a ploy  
I'm ripped and I'm shattered and I'm sure it doesn't matter  
But I'm ripped and shattered... and aloneWhoa oh oh, whoa oh-oh and alone  
Whoa oh oh, whoa oh-oh and alone  
Whoa oh oh, whoa oh-oh and aloneWrecked and twisted  
Desperate and alone  
Wasted, naked  
Tonight I'm drinking aloneRipped, shattered, and alone  
I'm ripped, shattered, and alone  
I'm ripped and I'm shattered and I'm sure it doesn't matter  
But I'm ripped and shattered... and aloneWhoa oh oh, whoa oh-oh and alone  
Whoa oh oh, whoa oh-oh and alone  
Whoa oh oh, whoa oh-oh and alone...and alone
