

A Handful Of Songs

Tommy Steele

I've got a handful of songs to sing you
Can't stop my voice when it longs to sing you
 New songs and blue songs
 And songs to bring you happiness
No more, no lessMoreover, wherever we may roam to
 Or any shore where we might be blown to
 We know that we're gonna fell at home to
 La bella musica, jazz, and cha cha cha
 Calypsos and street vendor cries
Strains of old refrains, sleepy time baby lullabiesI've got a handful of songs to sing you
 I've got a heart full of love to bring you
 True love for you love, and love's a thing you keep
So here's a handful of songs going cheapJust a handful of songs
 Just a handful of songs
 Only a handful of songs
