Earthbound Starlight (Live feat. Holly Brook)

Duncan Sheik

What are you looking at, what do you see?
Is it the truth or a strange fantasy?
Whenever you're watching, changing the sceneThe time is a place, this place is a song
Where mothers are distant and fathers are gone
He too may be watching but he's not letting onCan't dry your eyes or say it's alright
Even though he might and she can't kiss your cheek
As the days become weeks, no rewind, no repeats
Days, nights, wrongs, rights, earthbound starlightHey, are you listening?
What is the sound of things that you lose
That you never have found?
You're finding the way or turning aroundDancer with destiny, tempter of fate
The life that you lived is only a taste
Sometimes the sweetest is the time that you wasteI won't dry your eyes or say it's alright
Cause sometimes that's the lie even if she kissed your cheek
Still the days become weeks, no rewind, no repeats
Steal your heart, life is hard, never easy, believe meThere'll be no more questions, maybes or mights
Darkest descends, run out of light
When you go blind, you get second sight
The deeper you dive the greater the heightsSo don't dry your eyes or say it's alright
Life is hard, it's a fight even if she kissed your cheek
Still the days become weeks, no rewind, no repeats
As the days become weeks, no rewind, no repeats
Days, nights, wrongs, rights, earthbound starlight
