

Jumpin'

Keke Palmer

Keep it movin', keep it movin'
Feels good when you jump around
Keep it movin', keep it movin'
Feels good when you're gettin' down Keep it movin', keep it movin'
(Jump, jump)
Feels good when you jump around
Keep it movin', keep it movin'
(Jump, jump)
Feels good when you're gettin' down I know you have been waitin' to
Feel the rhythm move inside of you
Now's the time, so no more hangin' around
Let yourself go and just jump around Lift your spirits to the sky
Don't just let life pass you by
Nobody's gonna stop us now
Nobody's gonna keep us down Now's the time to make your move
Put your feelin's in the groove
Let it go, the time is right
Let loose tonight, yeah We gon' keep it jumpin'
Everybody's jumpin' right now
We're gonna have a good time
So come on, keep it bumpin', jumpin' We gon' keep it pumpin'
Feel the rhythm bumpin' right now
Do it like we're double dutchin'
We gon' keep it bumpin', jumpin' Keep it movin', keep it movin'
(Jump, jump)
Feels good when you jump around
Keep it movin', keep it movin'
(Jump, jump)
Feels good when you're getting down, yeah You can do it, have the time of your life
Just believe it, jump up to the sky
There is nothin' that can stand in your way
Let the groove take, take you far away Now's the time to shine your light
Everythin' is feelin' right
Nobody's gonna stop us now
Nobody's gonna keep us down You have got nothin' to lose
All you need is inside of you
Nothin's gonna kill the mood
Break all the rules now We gon' keep it jumpin'
Everybody's jumpin' right now

We're gonna have a good time
So come on, keep it bumpin', jumpin' We gon' keep it pumpin'
Feel the rhythm bumpin' right now
Do it like we're double dutchin'
We gon' keep it bumpin', jumpin' Jump, jump, jump, jump
Keep it jumpin'
Jump, jump, jump, jump
It's so bumpin' Jump, jump, jump, jump
Keep it jumpin'
Jump, jump, jump, jump
It's so bumpin' We gon' keep it jumpin'
Everybody's jumpin' right now
We're gonna have a good time
So come on, keep it bumpin', jumpin' We gon' keep it pumpin'
Feel the rhythm bumpin' right now
Do it like we're double dutchin'
We gon' keep it bumpin', jumpin' We gon' keep it jumpin'
Everybody's jumpin' right now
We're gonna have a good time
So come on, keep it bumpin', jumpin' We gon' keep it pumpin'
Feel the rhythm bumpin' right now
Do it like we're double dutchin'
We gon' keep it bumpin', jumpin', yeah
