I Know

Sterling Simms

I know
I know
I know
I know
I know
I know
I know
I know
I know
I know

It's kinda funny when life throws a curve in
Next thing you know you sayin' "how the hell I get here"
That's the kinda situation that I'm in
I talk about it and you tell me if you been there
I got a shawty (uh huh)
Who's got a homie (uh huh)
No matter what I do she wont let me go
Damn I wish I woulda just said no
'Cause I know

(I know)
You got a man in your life
(I know) (I know!)
I got a girl in my life (yeah)
(I know) (this I know)
We shouldn't be here this way
'Cause if these walls could talk
I wonder what they say (wonder what they say)
(Oh baby I know)

Now every time I hear my phone ringing I'm scared
'Cause I'm thinking shawty's gonna put me out there
I got way too much to lose to be playin'
Don't know how to get her to hear what I'm sayin'
I say stop, she says go
She yells yes, I say no
Oh man I'm goin' crazy
And I'm trippin' 'cause ain't no way

I can explain this to my baby
Oh baby I know

(I know)
You got a man in your life (you got a man in your life)
(I know) (and I know)
I got a girl in my life (I got a girl in mine)
(I know) (this I know)
We shouldn't be here this way (ah yeah)
'Cause if these walls could talk
I wonder what they say (said I know just what they say)
(Oh baby I know) (baby!)

What is there to talk a ('bout)
Girl we need to work it (out)
Said we need to cool it (now)
'Cause I'm already wrong I can't keep hurtin' my baby
What is there to talk a ('bout)
Ain't no need to work it (out)
Do you hear me?
Listen to me
'Cause we gotta let it go
I know

(I know) (I know)
You got a man in your life (you got a man in your life)
(I know)
(And I got a girl in mine) I got a girl in my life
(I know) (and that ain't right)
We shouldn't be here this way ('cause we can't keep on living like this)
'Cause if these walls could talk
I wonder what they say (and we gotta call it quits)
(Oh baby I know) (hey!)

(I know) (I know)
You got a man in your life (you got a man in your life)
(I know)
(And I got a girl in mine) I got a girl in my life
(I know) (and that ain't right)
We shouldn't be here this way ('cause we can't keep on living like this)
'Cause if these walls could talk
I wonder what they say (and we gotta call it quits)
(Oh baby I know) (hey!)
