Dancing In My Dreams

Tina Turner

I've been running from the truth
I've been running since my youth
Tired of running
I will stand here till you see
I am you and you are me
Tired of running
There really is no difference
When you look beneath the skin
Someday I know we'll go beyond
World we're living inNow, when I lay me down to sleep
I will be dancing in my dreams
Seeing the way it all should be
I will be dancing
Now, when I lay me down to sleep
I will be dancing in my dreams
Seeing the way it all should be
I will be dancing
Dancing in my dreamsThere's no hiding in the dark
From the beating of my heart
It's getting louder
Just as long as we believe
The truth will set us free
It's getting louder
But all that really matters
Is light in your face
In you, I see the longing
Of the whole human raceNow, when I lay me down to sleep
I will be dancing in my dreams
Seeing the way it all should be
I will be dancing
Now, when I lay me down to sleep
I will be dancing in my dreams
Seeing the way it all should be
I will be dancing
Dancing in my dreamsOn and on the story goes
Or it's the passing of the torch
With one small voice it all begins
Then there are millions more, millions moreNow, when I lay me down to sleep
I will be dancing in my dreams

Seeing the way it all should be
I will be dancing
Now, when I lay me down to sleep
I will be dancing in my dreams
Seeing the way it all should be
I will be dancing
Dancing in my dreamsDancing in my dreams
