

He Loves Me (lyzel In E Flat)

[Jill Scott](#)

You love me especially different every time
You keep me on my feet happily excited
By your cologne, your hands
Your smile, your intelligence You woo me, you court me, you tease me, you please me
You school me, give me some things to think about
Ignite me, you invite me, you co-write me, you love me
You like me, you incite me to chorus Ooh ooh ooh You love me especially different every time
You keep me on my feet happily excited
By your cologne and your hands
Your smile, your intelligence You woo me, you court me, you tease me, you please me
You school me, give me things to think about
Invite me, you ignite me, co-write me, you love me
You like me, incite me to chorus Sla la la
Doo do do
Ooh ooh ooh You're different and special
You're different and special
In every way imaginable
You love me from my hair follicles to my toenails You got me feeling like the breeze, easy and free and lovely
and new
Aaw, when you touch me I just can't control it
When you touch me, I just can't hold it
The emotion inside of me, I can feel it Aah aah aah
