Chillin'

í•¬ë£¨ì œ ìŠ¤íƒ€

I ain't going to work, ain't going to class
Going bare feet and kickin' back
Gonna pacify my lazy bones ambition
Chillin'
I'm talkin', jet skis and inner tubes
Pretty girls with big ol' blue eyes
And wet t-shirts on the river
Just chillin'
Beatin' the heat of living
Drink to drink
Soaking up every minute
Got my thinkin' cap hangin' on a scarecrow
Got my I don't care ducks in a row
It ain't no crime to kill a little time
Chillin'
Good ol' boys sitting on a rock
Passing a jar and an old flat top singin'
Seeger, Cash, Bo Diddley and Bob Dylan
Just a chillin'
Moon comes up and the sun goes down
Under Candy Fort Bridge they're hangin' out
Bunch of happy-go-luckies, skinny dippin'
Yeah, we're chillin'
Beatin' the heat of living
Drink to drink
Soaking up every minute
Got my thinkin' cap hangin' on a scarecrow
Got my I don't care ducks in a row
It ain't no crime to kill a little time
Just chillin'
Yeah, we're chillin'
We're beatin' the heat of living
Drink to drink
Soakin' up every single minute
Got my thinkin' cap hangin' on a scarecrow
Got my I don't care ducks in a row
It ain't no crime to kill a little time
Just chillin'
Beatin' the heat of living

Drink to drink
Soakin' up every single minute
Got my thinkin' cap hangin' on a scarecrow
Got my I don't care ducks in a row
It ain't no crime to kill a little time
Chillin'
Yeah, we're chillin'
Oh yeah
