Don't Try

Toro y Moi

Ok love is only funny when you're tongue-tied
Find out if it's you tht's truly cross-eyed
Woke up only 'cause I thought I had to
Person in the picture's really not youMissed it when you said you can't make it
Listen if it's me, I know how that goes
Gives me no ideas, I just waste them
Give me no ideas, I just waste themDon't try to understand what you are
Don't try to make it more than it isDon't try to understand what you are
Don't try to make it more than it is
(Wake up)
Missed it when you said you can't make it
(Try it again, go to sleep)
Listen if it's me, I know how that goes
(Wake up)
Gives me no ideas, I just waste them
