

Say Hello to Sunshine

[**Finch**](#)

They love the earth
Lies are serving fire and brimstone we move the backbone
Say hello to sunshine, wake up your baptizedThe temple is me
Something to believe in
It's something to be
The evidence is all we tasteUnder the skin the heart is pumping
What brought you two this
What once was useless
Focus on the vision
Lose sight of the pictureThe temple is me
Something to believe in
It's something to be
The evidence is all we taste
