

# For the Sake of Heaviness

## Armored Saint

Grasped by this certain thing  
Expressing what I feel  
Doin' it for my belief  
Knowin' in my heart it's real Mastermind won't let it stay  
Givin' it his sentiment  
You can put your thoughts away  
Compromise ain't what was meant Who gave you  
The right to choose  
Tell you why I'm here today  
Never ever gonna lose Make a believer  
Out of you  
Make a believer  
What will you do? I know that I'm the only one that  
Needs to prove it to myself  
I don't need to fix your mind  
It's already added to my wealth Make a believer  
Out of you  
Make a believer  
What will you do? What will you do?
