I'm a Mess

Blaqk Audio

Where are lies,
when no words are spoken?
Don't say "hello"
it just leads to goodbyes
Oh, when there is no time for words
I'm loving you, loving you
Oh, when your back has fully turned
I'm loving you, loving youYou won't care,
that I can't live, live without you
leave me here, and you'll always, be with me
Oh, when there is no time for words
I'm loving you, loving you
Oh, when your back has fully... turn your back on me
(turn your back on me)
Oh, when there is no time for words
I'm loving you, loving you
Oh, when your back has fully turned
I'm loving you, loving you
So turn, turn away,Please turn, turn awayPlease turn, turn your back on me
Oh, when there is no time for words
I'm loving you, loving you
Oh, when your back has fully...
Turn your back on, turn your back on me
Oh, when there is no time for words
I'm loving you, loving you
Oh, when your back has fully turned
I'm loving you
Oh, when there is no time for words
I'm loving you, loving you
Oh, when your back has fully turned
I'm loving you, loving you
So turn your back on me
