Don't Stop Now

Ralfi Pagan

Don't stop now (chorus)
Don't stop now (chorus)

It's not that I couldn't care
for someone like you
But when you fall in love
you can win or lose

So baby
Don't stop now (chorus)
Feeling the way that you do
Don't stop now (chorus)
Give me some time
Oh baby
Don't stop now (chorus)
Who knows you maybe mine

When I first fell in love
oh I didn't take my time
But now I know before I give my heart
to make sure she's really mine

So baby
Don't stop now (chorus)
Feeling the way that you do
Don't stop now (chorus)
Give me some time
Oh baby
Don't stop now (chorus)
You know you're really mine

Oh
I love you baby
I love you baby
I love you baby

Soo bad

So lets just wait and see
I know it seems it could never be..
Cause we're soo far apart
In your mind but not my heart..

So baby
Don't stop now (chorus)
Feeling the way that you do
Don't stop now (chorus)
Give me some time
Oh baby
Don't stop now (chorus)
You know you're really mine

Woah-oh-oh-oh-oh-oh-oh-oh-oh-oh
Don't stop now (chorus)
Woah-oh-oh-oh-oh
Don't stop now (chorus)
Woah-oh-oh-oh-oh-oh-oh-oh
Don't stop now (chorus)
No
No
No
Don't stop now (chorus)
Woah-oh-oh-oh-oh-oh-oh-oh
