

# Is This Love

Aiden Grimshaw

[Aiden Grimshaw]

As the shadow looms over

Covers me and I cant see

So you better move over

Cause I cant breathe

Theres a fiery eye in the middle of the dark sea

And its pulling me down

So I cant breathe

And as you pull out your gun point blank got a feeling this cant be

The air is moving around me but I cant breathe

I cant breathe

[Choru

s]

Is this love?

When the sun goes down

Is this love?

When the sun goes down

But this love, its just not enough for me

Its just not enough for me

Violently Ive come around

An extension of hope, this could be misleading

Could you write it down now

Cause I cant speak

And it cuts like a knife in the cracks that I cant read

And youre pulling me down so I cant breathe

And theres a fire eye in the middle of the dark sea

And its pulling me down so I cant breathe

I cant breathe

[Chorus]

Is this love?

When the sun goes down

Is this love?

When the sun goes down

But this love, its just not enough for me

Its just not enough for me

Violently Ive come around

[Bridge]

Its a situation, sometimes we all want out

Vicious regulations, from time to time we need some help

Situations, sometimes we all want out  
Vicious regulations, from time to time we need some help
