

# One

Al Kooper

One is the loneliest number that you'll ever do  
Two can be as bad as one, its the loneliest number since the number one  
No is the saddest experience you'll ever know  
Yes is the saddest experience you'll ever know 'Cause one is the loneliest number that you'll ever know  
One is the loneliest number even worst then two  
Yeah  
Its just no good anymore since you went away Now I spend my time just making up rhymes of yesterday  
One is the loneliest number  
One is the loneliest number One is the loneliest number  
Since you went away  
Since you went away  
(One is the loneliest number since you've gone away) One is the loneliest number  
One is the loneliest number  
One is the loneliest number  
Since you've gone away It's just no good anymore since you went away  
Now I spend my time just making up rhymes of yesterday  
One is the loneliest number  
One is the loneliest number One is the loneliest number  
Since you went away  
Since you went away
