

# Happy Heart

Petula Clark

There's a certain sound  
Always follows me around  
When you're close to me  
You will hear it

It's the sound that lovers  
Finally will discover  
When there is no other  
For their love

It's my happy heart you hear  
Singing loud and singing clear  
And it's all because you're near  
Be my love

Take my happy heart away  
Make me love you, make my day  
In your arms I want to stay  
All my love

Yeah  
Feeling more and more  
Like I've never felt before  
You have changed my life  
So completely

Music fills my soul now  
I've lost all control now  
I'm not half unhold now  
With your love

It's my happy heart you hear  
Singing loud and singing clear  
And it's all because you're near  
Be my love

Take my happy heart away  
Make me love you, make my day  
In your arms I want to stay

All my love

It is my happy heart  
You can hear my happy heart  
In love you...

Aah  
Take me  
Take my happy heart  
Please be my happy heart  
Eeh
