

# Nobody (feat. Kat Deluna & Leftside)

## Faydee

Yeay, look around  
It's Faydee (Faydee) and the lady Kat Deluna  
Okay, Leftside, Leftside  
Your love, your type is the only thing I need  
Right here in my life  
Ñfou're the only one for me  
No more lonely nights  
Girl, you know I'll always be  
(There for you, girl)  
Right here when you need  
(What you said?)  
It's just what you've told me  
Oh, why /x4?  
Why when I see you I go crazy, yeah I loose my mind  
(Wow, wow)  
Yeah, that's my baby, she can  
Get it tonight, get it, it's the live  
Kiss on your neck the way that you like  
No-no-nobody, no-no-nobody,  
nobody loves you like I do  
If you'll ever love, girl I'm your love  
No-no-nobody /x2  
Ain't one got that feelings for you  
Nobody loves you like I do  
If you'll ever love, girl I'm your love  
No-no-nobody /x2  
Ain't nobody will, nobody, body. Come on!  
Nobody loves you like I do  
Boy I'm so alive  
This is what you do to me  
You stay on my mind (on my mind, yeah)  
your my favourite melody  
No more lonely nights  
Boy, you know I'll always be  
Right here when you need  
This is what you've told me  
Oh, why, why, why, why, why?  
(Why /x3?)  
Why when I see you I go crazy,

yeah I loose my mind  
(I loose my mind)  
Yeah, that's my baby, she can  
Get it tonight, get it, it's the live  
Kiss on your neck the way that you like  
No-no-nobody, no-no-nobody,  
nobody loves you like I do  
If you'll ever love, girl I'm your love  
No-no-nobody, no-no-nobody  
Ain't one got that feelings for you  
Nobody loves you like I do  
If you'll ever love, girl I'm your love  
No-no-nobody, no-no-nobody  
Ain't nobody will, nobody, body. Come on!  
Nobody loves you like I do  
Give it to me, give it to me I am lovin' it.  
Girl, give it to me  
You got the key to my heart and the  
key to my world, you got the key of my city  
Yey  
You turn up touch I need so much  
You break in my life cruel a bunch.  
Lovin' sweet like a fruit without a punch.  
I can't get enough of you baby.  
**GIRL, YOU ARE!!!!**  
Girl you are the hottest thing, hottest thing.  
You got the thing to make my bell ring.  
You light up the room like a diamond ring.  
You make Faydee and I man sing.  
My heart belt when you smiling won't  
you be my world for a while until  
I'm ready to give you the world my girl, because...  
**NOBODY LOVES YOU LIKE I DO (No, baby)**  
If you'll ever love, girl I'm your love  
(Nobody, nobody) no-no-nobody, no-no-nobody  
Ain't one got that feelings for you  
Nobody loves you like I do  
If you'll ever love, girl I'm your love  
No-no-nobody, no-no-nobody  
Ain't nobody will, nobody, body. Come on!  
Nobody loves you like I do!  
Oh, thats it? Hahahah
