

Bubbles

System of a Down

Fish that don't drown
Life in a bubble jungle
I wouldn't frown
Not short another chuckle
Snake in the ground
But I was in there for you
Now leaving town
Life in a bubble jungle Seeing you believing us adhering
The power struck
Believing you then kneeling appeasing
The power struggle We're left with no arms right in
The power struggle
We're left with no arms right in
The power struggle Wearing a crown
Life in a bubble jungle
Chasing a clown
Not short another chuckle
Snake in the ground
But I was waiting for you
Now we have found
Life in a bubble jungle Seeing you believing us adhering
The power struck
Believing you then kneeling appeasing
The power struggle We're left with no arms right in
The power struggle
We're left with no arms right in
The power struggle Left with no arms right in
The power struggle
Left with no arms right in
The power struggle May I remind you
May I remind you
May I remind you May I remind you
May I remind you
May I remind you May I remind you
May I remind you
May I remind you May I remind you
May I remind you
May I remind you
Your life is in a bubble jungle Seeing you believing us adhering

The power struck
Believing you then kneeling appeasing
The power struggleWe're left with no arms right in
The power struggle
We're left with no arms right in
The power struggleLeft with no arms right in
The power struggle
Left with no arms right in
The power struggle
