

# These Colours Don't Run

## Iron Maiden

It's the same in every country  
When you say you're leaving  
Left behind the loved ones  
Waiting silent in the hall  
Where you're going, lies adventure  
Others only dream of  
Red and green light, this is real  
And so you go to war  
For the passion, for the glory  
For the memories, for the money  
You're a soldier for your country  
What's the difference? All the same  
Far away from the land of our birth  
We fly a flag in some foreign earth  
We sailed away like our fathers before  
These colours don't run from cold, bloody war  
There is no one that will save you  
Going down in flames  
No surrender, certain death  
You look it in the eye  
On the shores of tyranny

You crashed a human wave  
Paying for my freedom  
With your lonely unmarked graves  
For the passion, for the glory  
For the memories, for the money  
You're a soldier for your country  
What's the difference? All the same  
Far away from the land of our birth  
We fly a flag in some foreign earth  
We sailed away like our fathers before  
These colours don't run from cold, bloody war  
Far away from the land of our birth  
We fly a flag in some foreign earth  
We sailed away like our fathers before  
These colours don't run from cold, bloody war  
Far away from the land of our birth  
We fly a flag in some foreign earth

We sailed away like our fathers before  
These colours don't run from cold, bloody war  
These colours don't run from cold, bloody war
