

The Buzz

Hermitude

Do you feel, feel

Feel, feel

Do you feel it in the air (air, air, air)

Do you feel, feel

Do you feel, feel

I can feel it in the air (air, air, air)Do you feel the buzz or is it just me, trust me

Something in the air, just above me

Something like a dream state

You call it a clean break

Do you feel the buzz, baby?

Do you feel the buzz?Do you feel it

Do you feel it, do you feel it in the air

Is it just me (me, me)

Do you feel it, I can feel it in the air

Is it just me, is it just me?Do you feel the buzz or it's just me, just me

Something in the air, just above me

Something like a dream state

I can't even see straight

Do you feel the buzz, baby?

Do you feel the buzz?
