

# Make It Better

## Hazel English

I want to be seen  
Yet I want to be invisible  
I want everything  
Yet I want nothing at allAll of these thoughts I have  
    Negate each other  
    I keep trying to understand  
    How to make it better  
    But I can't make it better  
    I am confident  
    Yet I always seem to doubt myself  
    I am intelligent  
Yet I know nothing at allAll of these thoughts I have  
    Negate each other  
    I keep trying to understand  
    How to make it better  
    But I can't make it betterI want to be seen  
    Yet I want to be invisible  
    I want everything  
    Yet I want nothing at all  
    All of these thoughts I have  
    Negate each other  
    I keep trying to understand  
    How to make it better  
    But I can't make it better  
    All of these thoughts I have  
    Negate each other  
    I keep trying to understand  
    How to make it better  
    But I can't make it better
