Best Damn Life

Jimi Blue

Yeah Yeah, me and hip hop, we're fine and dandy
I hate pop cause it sounds like candy
Been doing this shit since I was a baby
You know I love it and so do the ladies
B-b-b-busting the rhymes is what I do
Without selling my soul for something new
You see the people around, they're saying maybe
But they ain't me, that's why I drive a Mercedes
I do what I want and when I want to do it
I play hard and hit the ground running
So sit tight cause here's what I do
I'm running rap for the shadies
And sing for the ladiesI got the best damn life in the world, yeah
I got the best damn life in the world, yeah
I got the best damn life in the world, yeah
You gotta love it, you gotta love it
I got the best damn life in the world, yeah
I got the best damn life in the world, yeah
I got the best damn life in the world, yeah
You gotta love it, you gotta love it, yeah come onAll the girls are watching me on the t.v.
They're at the studio just waiting to see me
I can't believe this all happened to me
It's like a dream come true
It's so hard to believe
J-j-j-Jimi Blue is making 'em stutter
And all the guys I used to hate are now brothers
There's always people around that say Jimi
They're screaming loud
Cause it's so hard to get near me
I've got everything a man could need
Yeah, this what happens
When you rub 'till you bleed
You know I love to bring it all to you
I'm gonna rap for the shadies
And sing for the ladiesI got the best damn life in the world, yeah
I got the best damn life in the world, yeah
I got the best damn life in the world, yeah
You gotta love it, you gotta love it
I got the best damn life in the world, yeah

I got the best damn life in the world, yeah
I got the best damn life in the world, yeah
You gotta love it, you gotta love itI do what I want and when I want to do it
I play hard and hit the ground running
So sit tight cause here's what I do
I'm gonna rap for the shadies
And sing for the ladiesWe got the best damn life in the world, yeah
We got the best damn life in the world, yeah
We got the best damn life in the world, yeah
You gotta love it, you gotta love it
We got the best damn life in the world, yeah
We got the best damn life in the world, yeah
We got the best damn life in the world, yeah
You gotta love it, you gotta love itWe got the best damn life in the world, yeah
We got the best damn life in the world, yeah
We got the best damn life in the world, yeah
You gotta love it, you gotta love it
