History Lessons

Allo Darlin'

i don'
t believe in fate but i'
ve been feeling differently of late caught in a wave i don'
t catch and no turning back and if i began to doubt that i had any room left for you in my heart to my surprise i realize i'
m lost in this crowd.
you'
re studying history to know where you'
re coming from.
no idea where i was headed but i feel the weight is strong.
no idea if we can make it but the burn has left its mark.
