## PAC'S THEME

[Statements variously said throughout song.]

I was raised in this society so there's no way  
you can expect me to be a perfect person cuz I'm a do what I'm a do.

(I am still thirsty) - Arrested Development

(There is absolutely no reason for a record like this to be published.

It has no place in our society.) - Dan Quayle

(They gotta understand me)

(Withdraw on this record) - Dan Quayle

That's how I feel I'm a do whatever I like. I am not a role model
