Slow Motion

Joel Crouse

Seems everybody in this fast paced life, has a dream or a dollar they're chasin'.
If I had one wish for you and I, we would stop all these moments we're wastin'.
Cause ooh, girl what went missin', ooh is all those deep wet kisses.
In slow motion, takin' my time so we can get it right.
We got nowhere we're goin', so baby why dont you and I spend this night.
In slow ohh ohh, slow motion.
yeah.
mmhmm.
You're gonna dance under my fingertips, every curve on your body i'm tracin'.
Im gonna feel your breathe escape your lips, yeah its all in the anticipation.
Ooh the way you touch me, I love it when you love me.
In slow, slow motion.
Taking our time so we can get it right.
We got nowhere we're goin', so baby why don't you and I spend this night, in slow ooh ohh ohh, slow motion.
Good times go so fast.
I just wanna make 'em last, forever.
We got nowhere we're going.
So baby why dont you and I spend this night, in slow ooh ohh ooh, slow motion.
yeah.
move in slow.
slow motion.
