

I Am The Law

Anthrax

Fifteen years in the academy
He was like no cadet they'd ever seen
A man so hard, his veins bleed ice
And when he speaks he never says it twice
They call him Judge, his last name is Dredd
So break the law, and you wind up dead
Truth and justice are what he's fightin' for
Judge Dredd the man, he is the law

Drokk it

With gun and bike he rules the streets
And every perp he meets will taste defeat
Not even death can overcome his might
'Cause Dredd and Anderson, they won the fight
When the Sov's started the apocalypse war
Mega-City was bombed to the floor
Dredd resisted, and the judges fought back
Crushed the sov's with their counter-attack

Drokk it

Respect the badge
He earned it with his blood
Fear the gun
Your sentence may be death because
(I am the law)
And you won't fuck around no more
(I am the law)
I judge the rich, I judge the poor
(I am the law)
Commit a crime, I'll lock the door
(I am the law)
Because in Mega-City
(I am the law)

In the cursed earth where mutants dwell
There is no law, just a livin' hell
Anarchy and chaos as the blood runs red
But this would change if it was up to Dredd
The book of law is the Bible to him
And any crime committed is a sin
He keeps the peace with his law-giver
Judge, jury, and executioner

Respect the badge

He earned it with his blood

Fear the gun

Your sentence may be death because

(I am the law)

And you won't fuck around no more

(I am the law)

I judge the rich, I judge the poor

(I am the law)

Commit a crime, I'll lock the door

(I am the law)

Because in Mega-City

(I am the law)

Crime, the ultimate sin

Your I.S.O., cube is waitin' when he brings you in

Law, it's what he stands for

Crime's his only enemy and he's goin' to war

Crime, the ultimate sin

Your I.S.O., cube is waitin' when he brings you in

Law, it's what he stands for

Crime's his only enemy and he's goin' to war

Respect the badge

He earned it with his blood

Fear the gun

Your sentence may be death because

(I am the law)

And you won't fuck around no more

(I am the law)

I judge the rich, I judge the poor

(I am the law)

Commit a crime, I'll lock the door

(I am the law)

Because in Mega-City

(I am the law)

And you won't fuck around no more

(I am the law)

I judge the rich, I judge the poor

(I am the law)

Commit a crime I'll lock the door

(I am the law)

Because in Mega-City

(I am the law)
