

# Let's Fuck

## Murderdolls

I don't wanna meet  
Your mom and dad  
Unless you'll let me fuck your mom  
And dress your dad in drag  
Let's fuck  
Let's fuck  
Let's fuck  
Let's fuck  
Bitchslap, you slut  
And I don't care  
And when I'm done I'll kick  
Your fucking ass down the stairs  
Let's fuck  
Let's fuck  
Let's fuck  
Let's fuck  
And I don't need a warm  
And cozy place  
'Cause when I'm done I'll break  
A fucking bottle on your face  
Let's fuck  
Let's fuck  
Let's fuck  
  
Let's fuck  
Let's fuck  
(Oh, he's bad)  
Let's fuck  
(Oh, yes I want it)  
Let's fuck  
(Oh, yeah)  
Let's fuck  
(Ohh)  
Let's fuck, you fucking whore  
Let's fuck, you fucking whore  
Let's fuck and fuck and fuck  
And fuck and fuck and fuck some more  
Let's fuck  
Let's fuck

Let's fuck  
Let's fuck  
Let's fuck, fuck, fuck, fuck  
Fuck, fuck, fuck, fuck, fuck  
Fuck, fuck, fuck, fuck, fuck, fuck  
I wanna fuck
