

Evolution

Cat Power

Better call the ships, they been caught sailing
Better call the captain, hes been caught stealing
Better call the porter man, hes been caught leaving
Better call all the guys on the deck, theyve been caught with no feeling
Better call the fisherman, 'cause theyre coming on land
Better call the head nurse, wrap us up, to throw us in the dirt
Better call with some resistance, better way to feel no shame
Better call with some persistence, that way you feel nothing at all
Better call on evolution
Better way to make a revolution
Better make your mind up quick
Better make your mind up quick
