

Glamour Boys

Living Colour

The glamor boys swear they are a diva
The glamor boys have it all under control
Always dancing and always laughing
The glamor boys are playing the role
The glamor boys never have no money
The glamor boys wear the most expensive clothes
The glamor boys are always at the party
Where the money comes from, Heaven only knows
I ain't no glamor boy, I'm fierce
I ain't no glamor boy
I ain't no glamor boy, I'm fierce
I ain't no glamor boy
The glamor boys live off their ambition
The glamor boys have it all figured out
A very, very dubious position
When you got no clout
The glamor boys' whole life is a gamble
They might get over or fall flat on their face
But if one does, there's no need to worry
Another G-boy will take this place
I ain't no glamor boy, I'm fierce

I ain't no glamor boy
I ain't no glamor boy, I'm fierce
I ain't no glamor boy
The glamor boys don't think tomorrow
The glamor boys just need tonight to play
But just like things you can't afford on credit
Time catches up and you have to pay
The glamor boys are always on the guest list
You'll always find them in the hottest spots in town
They'll be your friend if you have fame or fortune
If you don't they won't be hanging 'round
I ain't no glamor boy, I'm fierce
I ain't no glamor boy
I ain't no glamor boy, I'm fierce
I ain't no glamor boy, yeah yeah
I ain't no glamor boy, I'm fierce
I ain't no glamor boy

I ain't no glamor boy, I'm fierce
I ain't no glamor boy, no no
What do you mean my credits no good?
