

I Talk to the Wind

Astralasia

Said the straight man to the late man
Where have you been
I've been here and I've been there
And I've been in between. I talk to the wind
My words are all carried away
I talk to the wind
The wind does not hear
The wind cannot hear. I'm on the outside looking inside
What do I see
Much confusion, disillusion
All around me. You don't possess me
Don't impress me
Just upset my mind
Can't instruct me or conduct me
Just use up my time
