

# Suddenly

## Gala

And anywhere you go  
You're gonna hear a song  
It says remember who you are and what you want  
You used to know it as a kid  
Now you song something else  
But Life is too short  
Better listen to yourself  
Suddenly, like a scream you can't hear  
Suddenly, that's the sound of your fear  
Suddenly, like a voice in the dark  
Suddenly, that's the beat of your heart  
Suddenly, like a scream you can't hear  
Suddenly, that's the sound of your fear  
Suddenly, like a voice free and strong  
Suddenly, that's the sound of your song  
You try to forget but it's impossible  
That song stays in your head and it's unbearable  
It says remember who you are remember what you want  
It whispers your name don't wait until it's gone  
Suddenly, like a scream you can't hear  
Suddenly, that's the sound of your fear  
Suddenly, like a voice in the dark  
Suddenly, that's the beat of your heart  
Suddenly, like a scream you can't hear  
Suddenly, that's the sound of your fear  
Suddenly, like a voice free and strong  
Suddenly, that's the sound of your song
