

# Unwoken Dream (king With Everything)

Justin Nozuka

There is a King who lives on the top of the hill  
There is a king who had everything  
Led by a star, the light in the sky  
He can't see it

There is a man who lives by the river  
He is a man surrounded by light  
She is alone bathing in the river  
He watches her

[Chorus]  
Diamond in the sky  
Will she be mine  
Lead her through the night  
She is blind

Over the hill and beyond the river  
Seven unwoken dreams are there  
When she awakes she dreams more then ever  
He dreams with her

Ooh

[Chorus]

Lead her through the night  
She is blind
