

Celebrity (Feat. Dwele)

Big Sean

I am in love with the lies, the love, the rights, the wrongs,
They told me that it wouldn't be night for long!
The light, the love, the rights, the wrongs
They told me that it wouldn't be night for long!
For long And I'm in love with the lights, the love,
Celebrity hoes, Hollywood parties that never get old!
Table full of new hoes, champagne Nouveau,
But my money is on Venus, but my neck is on Pluto.
I need a girl that look badder than my girlfriend,
Know the ones that look badder than their girlfriends,
Paparazzi try to pop Big since I make Cali
But I just hide my face doing Errol Flynn
Hoody over my head, Jedi, Anakin
Looking like a BBC Louis V mannequin
She ain't got no man in him,
She got no companion, she Jenifer Aniston,
I'm trying to hit her, and her friend!
And again, and again,
Pass it to my to my mans and them
Fuckin' all the baddest bitches in cities we landing in
But what happens when it all falls,
And the success, is all gone, and its all gone?
But for now I'm a celebrity
For now I'm a celebrity 'Cause I'm in love with the lies, the love, the rights, the wrongs,
They told me that it wouldn't be night for long!
The light, the love, the rights, the wrongs
They told me that it wouldn't be night for long! With the money they said that is the root of all evil,
At least that's what the pastor tried to teach us,
But he ain't pass around that collection plate,
'Til it's heavyweight as soon as his speech through Now hop in that Benz coupe
Shit, I'm trying to get a Benz to
Man how is it the root of all evil
If it could take my whole family out to Rio
No more repo with a D-Bo, just speedboats, jewelry all gold
Call me C 3 P O
Smoke so much, I gotta see three PO's
I'm worldwide tour with me and my nigga Zeno
Most comfortable behind the mikes like Tito
So I would hate to lose my Mike like Tito What happens when it all falls,

And the success is all gone, and is all gone?
But for now I'm a celebrity
For now I'm a celebrity 'Cause I'm in love with the lies, the love, the rights, the wrongs,
They told me that it wouldn't be night for long!
The lights, the love, the rights, the wrongs
They told me that it wouldn't be night for long! I do it for everything in life for love and meaning,
I hope they never try to tell me I'm leaving,
Getting everything I want, then I've got my mom next,
L.A. Reid sign checks right after the contract.
I've always had a crazy flow
Pockets was on radio
Active I guess 'cause I was active on the radio.
Way back in high school, yeah nigger CT,
Where I met my nigger Tone Pap Pip CT
Came to the slum village business way before T3
Givin' hoes the runaround
We just call 'em track meets
It's funny now when I look back though
'Cause them the times that gave me the inspiration
That the track needs
